EMPLOYMENT

Buster's Market, Scottsville, New York – 35 hours weekly (November 2013 – December 2014)

Office Worker

Opens/closes the business, handling monetary transactions and balancing finances for the day, as well as running day-to-day customer service on multiple storefronts and supervising/directing other employees.

National Guard Bureau (NGB), Arlington, Virginia – 40 hours weekly (May-September 2010-2012)

Federal Employee, Grade GS-02 (Student Summer Program)

Army National Guard G6 (Chief Information Office), Information Technology (IT) Business Center

IT Asset Management. Supported the Army National Guard (ARNG) Chief Information Officer (CIO) Supply Liaison Officer (SLO) in requesting, receiving, and maintaining accountability of IT equipment (and expendable supplies) exceeding 13 million dollars in value. This involved tracking more than 4000 line items of IT equipment consisting of more than 51,000 subcomponents supporting over 400 employees within the ARNG CIO and involved a consistent effort of tracking personnel, equipment, and conducting audits. When audits determined a discrepancy between the physical location of equipment and the database record, took action to resolve the error. Efforts supported the ARNG CIO SLO achieving a 100% IT property accountability record.

RIT Facilities Management Services (FMS) – 10 hours weekly (fall 2009 – spring 2013)

Student Custodian

Performs refuse/trash removal within four dormitories. Ensures paper products are stocked in all restrooms and that the area is sanitary. Performs other activities as necessary outside the dormitory – sweeps access tunnels beneath the campus and mops laundry room floors and the post office floor.

Teaching Assistant – between 4-12 hours weekly (fall 2011 – spring 2013)

Teacher's aide for course instruction - 2D Animation for Interactive Media, 3D Modeling and Animation for Interactive Media, Game Design & Development I, Intro to Web Development, Intro to Interactive Media

Salaried position assisting RIT professors in class. Advising, assisting, and consulting with undergraduate students to improve their knowledge and understanding of the classes listed above.
